MINERAL COUNTY, Proposed-Plaintiff-Intervenor, vs. WALKER RIVER IRRIGATION DISTRICT, a corporation, et al.	

STATE OF NEVADA)
) ss:
COUNTY OF WASHOE)

Treva J. Hearne swears and affirms under the penalty of perjury as follows:

1. I am an attorney practicing in the law offices of Zeh, Spoo, Quade & Hearne. I have worked on the Mineral County service for the last five and one-half years. The following are the list of persons I personally spoke with to confirm they have been served with the Notice in Lieu of Summons in the above-referenced matter.

Bergin, Leo - I spoke to Mr. Bergin on the telephone. He indicated that he considers himself served as to all parties that he represents and hung up the phone without further comment.

City of LA - I spoke local counsel and with the LA Department of Power and Water. Both entities claim that LA has no water rights in the Walker River I asked for written verification but have received nothing further in the mail from anyone.

Don Gable, Trustee, Don R. Gable Family Trust - Mr. Gable called me back when I left him a message. He informed me that he and his mother own 160 acres with the water rights in the Walker River. He stated that he was served and that the service was properly on him as trustee of the Gable Family Trust. He also indicated that the land and water rights were leased by Aiazzi Ranches and that he turned the papers
