EXPLANATION—Matter in *italics* is new; matter in brackets [ ] is material to be omitted.

AN ACT relating to Walker Lake; directing the state engineer to transfer certain water rights and appropriate state and county agencies to cooperate to improve the quality of the lake; and providing other matters properly relating thereto.

The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:

SECTION 1. The state engineer shall transfer to the board of county commissioners of Mineral County all water rights allocated to the department of wildlife from the Walker River upon receiving notice that the board of wildlife commissioners and the board of county commissioners of Mineral County have reached an agreement regarding the exchange of rights of equal value.

SEC. 2. All appropriate agencies of the state and of counties within the Walker River basin are directed to work together to alleviate the degradation of environmental quality of Walker Lake and enhance its value as a natural resource to all citizens of this state.
