United States District Court for the District of Nevada

C-125B

Dear Mrs. Sharer:

I am in receipt of the EIGHTH REPORT OF THE UNITED STATES OF AMERICA CONCERNING STATUS OF SERVICE ON CERTAIN PERSONS AND ENTITIES and the document entitled, Certificate of Service, dated the 22nd day of February 2006.

Regarding the basis for inclusion, CMO 3.c. "The court has ordered certain persons and entities be included as parties in this action because they own water rights within one or more of the nine categories set forth in Paragraph 3 of the Court's April 18, 2000 Case Management Order". I currently do not own any water rights, nor have I ever owned any water rights in the state of Nevada. I own a five acre parcel of land containing an underground well for domestic use, but no water right is attached to said property. After reviewing this case with our attorney, I believe that I do not belong in this action.

I contend that I have been included in this litigation in error. Attached, please find a signed copy of the Order – Disclaimer of Interest. Please remove my name as a defendant in the case Walker River Paiute Tribe, Plaintiff vs. Walker River Irrigation District, Defendants.

Sincerely,

Roy D. Lerg
