(SEVENTH EXTENSION)

49

The United States of America and the Walker River Paiute Tribe, pursuant to Local Rule 150, Rule 6(b), F.R.Civ.P., request additional time, up to and including March 22, 1996, within which to complete joinder of additional parties and service of process on claimants to the water of the Walker River, and its tributaries, in accordance with the Order of this Court, dated October 27, 1992, (Document No. 15).

The Court granted the first extension by Order dated February 23, 1993, (Document 19). Based on Stipulations of the parties, additional extensions were granted by Orders dated June 14, 1993, (Document 20), and November 15, 1993, (Document 21), May 23, 1994, (Document 25), November 17, 1994, (Document 36) and March 21, 1995, (Document 48).

As grounds for this request for enlargement of time, the United States and the Tribe note to the Court the magnitude of this task and further note that counsel for all the undersigned have stipulated to the extension. In addition, there has been an internal review process going on within the federal government in connection with this matter that the undersigned anticipated would have been completed by the present time, but will require additional time. It is now anticipated that service of process should be completed sometime during this requested time extension.

WHEREFORE, the United States and the Walker River Paiute Tribe request an extension of time up to and including
