Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.
