1. On March 17, 1992, the Walker River Paiute Tribe ("Tribe") filed its Answer to First Amended Petition, and Counterclaim and Cross-claim of the Walker River Paiute Tribe. The Tribe's counterclaim seeks recognition of additional water rights, a right to store water in Weber Reservoir and a federal reserved water right to use water on lands restored to the Reservation in 1936.

2. The Court entered an Order on May 18, 1992 ("Order"), requiring that the Tribe's counterclaim proceed on a separate track from subfile C-125-A and establishing a schedule on which the action shall proceed.

3. The Court's Order requires that any party desiring to intervene in relation to the Tribe's counterclaim file an appropriate motion no later than August 1, 1992.

4. In its counterclaim, the Tribe names all water users on the Walker River and its tributaries as counterdefendants.

5. The State of Nevada through the Nevada Department of Wildlife holds water rights to waters of the Walker River and thus has an interest relating to the subject matter of the Tribe's counterclaim.

NOW, THEREFORE, based upon the foregoing and subject to the approval of this Court, the Tribe and the State of Nevada, acting through their respective counsel, hereby stipulate that the parties to C-125-B shall include the State of Nevada as a counterdefendant-intervenor and that the State of Nevada shall
