IN EQUITY NO. C-125
Subfile No. C-125 B

REPORT OF UNITED STATES BOARD OF WATER COMMISSIONERS ON MOTION TO INTERVENE FILED BY MINERAL COUNTY

The United States Board of Water Commissioners (Water

43

Commissioners) by and through its attorneys, Vargas & Bartlett, presents this report pursuant to the Stipulation and Order dated December 9, 1994.

The Water Commissioners believe that all water right holders on the Walker River should receive notice of the filing of the Petition for Leave to Intervene filed by Mineral County. The Water Commissioners believe that Mineral County should be required to complete service upon all water rights holders prior to the matter being set for a scheduling conference to schedule further proceedings on the matter of the motion for leave to intervene. FRCP 5.

The Water Commissioners would also suggest that the Court create another subfile, perhaps C-125-C, to facilitate the ease of filing and retrieving documents in this old and voluminous court docket.

Dated this 27th day of December, 1994.
