Re: U.S. v. Walker River Paiute Tribe, C-125B

Dear Mr. Wilson:

This confirms my telephone conversation with Julian of your office, in response to my receipt of a Notice Regarding Admission to Practice in a Particular Case.

My wife (who is ill and for whom I have Power of Attorney) and I own property near Bridgeport, California and have been brought into the above action along with various other landowners who have water rights that might be effected. I have not been "retained or appointed to appear" but will be acting pro se along with my wife. I confirmed for Julian that I am acting pro se, and the only reason my law firm is mentioned is that is where I will receive my mail. As such, I will not be seeking admission to practice.

Thank you for your consideration and courtesy.

Very truly yours,

James T. Fousekis
