Assuming this is correct, he is filing the document submitted to her, "Part 1. Consent for Electronic Service of Documents" as his own.

Yours very truly,

INTRODUCTION

The Court is addressing case management issues related to Subproceeding C-125-B. You are receiving this Order because you are a defendant in Subproceeding C-125-B who filed a Notice of Appearance in this matter and are not represented by an attorney (hereafter, "Unrepresented Parties").

The purpose of this Order is to identify and implement the alternative methods described herein to: 1. serve documents on Unrepresented Parties; and 2. allow Unrepresented Parties to file documents.

BACKGROUND

Previously, this Court required the United States and the Walker River Paiute Tribe to serve persons and entities holding certain categories of water rights with a Notice in Lieu of Summons that required them to file a Notice of Appearance and Intent to Participate. Thus far, almost 1,000 parties have filed a Notice of Appearance and Intent to Participate and are not represented by an attorney. Because of the large number of Unrepresented Parties, the Court has

Dear sir:

We have received several mailings about this matter, but do not have a clue why we are part of the case. We have a domestic well and none of residents around us, that we know, have received these letters. I would like to know what this is about and why we are part of it.

Sincerely yours;
