AFFIDAVIT OF TREVA J. HEARNE

STATE OF NEVADA)
) ss:
COUNTY OF WASHOE)

Treva J. Hearne swears and affirms under the penalty of perjury as follows:

1. I am an attorney licensed in the State of Nevada and presently a partner in the law firm of Zeh, Spoo & Hearne.

2. For over five years I have been representing Mineral County and attempting to complete service as directed by the Court on the holders of water rights in the Walker River.

3. At the beginning of this effort, the records of Lyon and Douglas County were reviewed to determine who owned water rights in the Walker River

4. I personally reviewed the records of Lyon County again, pursuant to the Court's direction and pursuant to that search state the following:

a. I searched the files for the name Arrache in Lyon County at the Recorder's Office and found no documents in the name of Arrache as spelled Arrache and therefore have no proof other than statements by Ronald B. Arrache that he is the trustee of the Arrache Family Trust and that the Trust owns water rights that formerly belonged to his father Juan Arrache who is now deceased.

b. I believe, based upon conversations with Diane Cutler, that she conveyed her water rights to the Walker River Land Corp. I have found no evidence to support that.

c. I searched the record for Joyce Jenkins and found nothing indicating she holds any property in her name in Lyon County.

d. I believe, based upon conversations with Modesta Perriseau, that she conveyed her water rights to Pamela Haas. I have found no evidence to support that.

e. When I entered the name T.F. Snyder, in the Lyon County records, the reference only showed Theresa, whom I believe to be the same.

f. The record shows that Michael and Claudia Casey conveyed their water right to William Stone and that William Stone's water right reverted to the District by resolution.

g. The only document I located regarding Gilbert Wedertz was a conveyance by a Martha Burke Wedertz, with no mention of Gilbert, and no mention of water rights and I found nothing else in the name Wedertz, indicating he has no water rights.

FURTHER AFFIANT SAYETH NAUGHT.

E-62

TO: ZEH, SPOO, HEARNE & PICKER, attorneys for proposed Plaintiff/Intervenor, Mineral County, Nevada

I acknowledge receipt of your request that I waive personal service of the documents involving the motion to intervene of Mineral County, Nevada, in the action of United States of America, *Plaintiff v. Walker River Irrigation District, et al.*, Defendants, which is Case No. C-125, Subfile No. C-125-C, in the United States District Court for the District of Nevada. I have also received a copy of the motion to intervene of Mineral County, the proposed complaint-in-intervention of Mineral County, the motion for preliminary injunction of Mineral County, and the Order Requiring Service of and Establishing Briefing Schedule Regarding the Motion to Intervene of Mineral County, along with two copies of this Waiver. I have also received a means by which I can return this signed waiver to you without cost to me.

I (or the entity on whose behalf I am acting) will retain all defenses or objections to this matter or to the jurisdiction or venue of the Court except for objections based on a defect, if any, in the manner in which these documents have been provided to me.

I understand, that if I (or the entity on whose behalf I am acting) do not appear and respond to the motion to intervene, by August 23, 1999, and if the Court enters further orders with respect to answers or other responses to the proposed complaint-in-intervention or responses to the Motion for Preliminary Injunction, that I (or the entity on whose behalf

I am acting) shall nevertheless be deemed to have notice of those subsequent orders of the Court.

Re: Mineral County, Waiver of personal service of documents

Dear Ms. Hearne:

You recently wrote to me inquiring about the heirs to Josephine Batchelder and her water rights. The water rights and the property they apply to have been held in the Josephine S. and Fred C. Batchelder 1983 Family Trust since 1983. At Josephine's death, the rights remained in the trust. Currently, my father, Fred C. Batchelder, age 82, has Alzheimer's and is living in a nursing home. My brother, Leonard Batchelder, and myself have succeeded my father as trustees to the family trust until his death. Unfortunately, I suppose all legal matters should be forwarded to me.

Sincerely,

Re: C-125-C - Walker River Decree - Proposed Intervention by Mineral County

Dear Ms. Hearne:

Your letter of August 1, 2000 addressed to Dale Ferguson, counsel for the Walker River Irrigation District, was referred to our office. In that letter you requested information on "Day, Charles E. and Lucille M."

The assessment records of the United States Board of Water Commissioners indicate that the bill for these water righted lands is currently being assessed to "William M., Jr. and Rosemary F. Weaver, Trustees of the William M. Weaver, Jr. Revocable Trust". The assessment is mailed to 2535 State Route 338, Wellington, NV 89444. As has been my advise in the past, one cannot solely rely on the Assessment records of the United States Board but must check the local Recorder's records to confirm that the property was, in fact, transferred to this Trust by the Days.

Sincerely yours,

Linda Bowman

IN THE MATTER OF THE ESTATE OF

JACKIE DUANE SCEIRINE,
also known as JACKIE SCEIRINE,
also known as JACKIE D. SCEIRINE,

Deceased.

ORDER

I. Introduction

This case arises from a Petition for Probate filed on June 26, 1998. An Order Admitting Will to Probate and Issuing Letters Testamentary was issued by this Court on July 27, 1998. That Order named the Decedent's sons, William Todd Sceirine and Michael Duane Sceirine, as Co-Executors of the estate. An Inventory, Appraisement, and Record of Value was filed on January 8, 1999. The Decedent's widow, Beverly Sceirine ("Objectioner"), filed an Objection to the Inventory Appraisement, and Record of Value on March 3, 1999. An Order Correcting the Inventory, Appraisement, and Record of Value was issued by this Court on April 8, 1999. On April 16, 1999, the Co-Executors filed a Motion for Reconsideration of the Order Correcting the Inventory, Appraisement, and Record of Value. On April 26, 1999, the Objectioner filed an Opposition to the Motion for Reconsideration.

The Co-Executors filed a Reply to the Opposition on May 5, 1999. The Objectior filed a Response to the Co-Executor's Reply to the Opposition on May 10, 1999. This Court held a hearing on the pending matters on November 22, 1999. The Co-Executors filed a Post-Hearing Brief on January 14, 1999. The Objectioner filed a Post-Hearing Brief of Beverly Sceirine on January 19, 1999.

II. Discussion

A. THE SCEIRINE RANCH WAS THE DECEDENT'S SEPARATE PROPERTY

NRS 123.220 provides that property acquired during marriage is presumed community property, except as otherwise provided in NRS 123.130. That statute provides that property acquired during marriage by gift, bequest, devise or descent, is separate property. That separate property characterization may be changed by clear and convincing evidence that the separate property was transmuted to community property. *Sprenger v. Sprenger*, 110 Nev. 855, 878 P.2d 284 (1994).

The Decedent inherited a seven-eighths (7/8) interest in the Sceirine Ranch from his parents. Evidence was presented showing that the Decedent was aware of the various tax advantages associated with transmuting his separate property to community property. The Decedent declined to transmute the Sceirine Ranch to community property and his Last Will and Testament clearly bequeaths the property to the Co-Executors. This Court finds that the Objectioner failed to present clear and convincing evidence that the Decedent intended the Scierine Ranch to be community property.

B. THERE IS NO COMMUNITY INTEREST IN THE SCIERINE RANCH VIA THE DECEDENT'S LABOR AND EFFORTS

Where one spouse devotes time, labor and skill to increase the value of separate property, the court can apportion the increased value between the separate property estate and the community property estate. *Johnson v. Johnson*, 89 Nev. 244, 510 P.2d 625 (1973). Apportionment is not warranted where the increased value is due to the natural enhancement of the property, the spouse's efforts were minimal, or no evidence was presented as to the value of the spouse's services. *Cord v. Neuhoff*, 94 Nev. 21, 573 P.2d 1170 (1978).

There does appear to be confusion over the business conducted on the Sceirine Ranch and the ranch itself. The Decedent spent a considerable amount of time and labor managing the Lazy S. Ranch, the business conducted on the Sceirine Ranch. The Objectioner already has a community interest in the assets of that business, including the ranch machinery and the cattle herd.

Evidence relating to the value of the Sceirine Ranch, i.e., the real property, demonstrates that there is no community interest in the property. One appraisal places a substantially increased value on the property because of the recreational potential of the property. That recreational potential is related to natural characteristics of the property, not to any efforts put forth by the Decedent. More important is the evidence relating to the Sceirine Ranch's value as a ranch. Two appraisals contemplating such a use show that the value of the property has actually decreased since the time of the Decedent's mother's death in 1988. This Court finds that any increase in the value of the property is due to the natural

ıncement of the property and that there is no community interest in th ceirine
ch via the Decedent's time and labor.

C. THE PUCHASE OF THE ONE-EIGHTH INTEREST IN THE SCEIRINE RANCH CREATED A COMMUNITY PROPERTY INTEREST

The community property presumption can only be overcome by clear onvincing evidence. *Pryor v. Pryor*, 103 Nev. 148, 734 P.2d 718 (1987) g *Burdick v. Pope*, 90 Nev. 28, 518 P.2d 146 (1974)].

The Decedent and the Objectioner purchased the Decedent's brother's ighth (1/8) interest in the Sceirine Ranch. That interest was purchased during arriage and is therefore presumed community property. This Court finds that -Executors failed to provide clear and convincing evidence that the interest ırchased with the Decedent's separate property funds.

III. Conclusion

The Sceirine Ranch was the separate property of the Decedent. The nity did not gain an interest in the Sceirine Ranch via the Decedent's labor orts in managing the Lazy S. Ranch. The community did gain an interest in ch when the Decedent and the Objectioner purchased a one-eighth (1/8) in the property and therefore the Objectioner owns a one-sixteenth (1/16) in the Sceirine Ranch.

Good cause appearing,

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED, that Executors' Motion for Reconsideration of the Order Correcting the

RESOLUTION
99-3

WHEREAS, it has come to the attention of the Board of Directors that many areas and tracts within the District are being subdivided for residential purposes, and such parcels, lots and tracts generally make no use of the irrigation facilities of the District, and are no longer benefited by remaining a part thereof, and

WHEREAS the clerical expense of keeping current ownership and assessment records on these numerous small parcel exceeds the assessment levied, and

WHEREAS it is the desire of many owners of such tracts to be separated from the District, and relieved of its assessments, and

WHEREAS the exclusion of such tracts would not interfere with the District functions.

NOW THEREFORE BE IT RESOLVED that it is the intention of the District to exclude from its benefits the following properties:

Charles J. & Mary A. Hartman	1.0 acre (Fr. NE ¼ of NE ¼, Sec. 14; T. 13 N., R. 25 E.)
Richard L. & Joan F. Phillips	.402 acres (Lot 30 Fairway Estates T. 13 N., R. 25 E.)
William Stone	1.50 acres (Fr. E ½ of N ½ of NE ¼, Sec. 34; T. 13 N., R. 25E.)

AND BE FURTHER RESOLVED that all storage benefits attached to any of these parcels so excluded shall revert to the District and become a part of its general supply to be apportioned among the remaining water right lands, and
