UNITED STATES OF AMERICA, Plaintiff, WALKER RIVER PAIUTE TRIBE, Plaintiff-Intervenor, vs. WALKER RIVER IRRIGATION DISTRICT, a corporation, et al., Defendants.	IN EQUITY NO. C-125-ECR SUBFILE NO. C-125-C **WAIVER OF PERSONAL SERVICE OF MOTIONS**

TO: Zeh, Spoo & Hearne, attorneys for proposed Plaintiff/Intervenor, Mineral County, Nevada

I acknowledge receipt of your request that I waive personal service of the documents involving the motion to intervene of Mineral County, Nevada, in the action of United States of America, Plaintiff v. Walker River Irrigation District et al., Defendants, which is Case No. C-125, Subfile No. C-125-C, in the United States District Court for the District of Nevada. I have also received a copy of the motion to intervene of Mineral County, the proposed complaint-in-intervention of Mineral County,

the motion for preliminary injunction of Mineral County, and the Order Requiring Service of and Establishing Briefing Schedule Regarding the Motion to Intervene of Mineral County, along with two copies of this Waiver. I have also received a means by which I can return this signed waiver to you VIA HENKLE-BUCHANAN GROUP without cost to me.

I agree to save the cost of personal service of the documents, as above-described, by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Federal Rules of Civil Procedure, Rule 4. I (or the entity on whose behalf I am acting) will retain all defenses or objections to this matter or to the jurisdiction or venue of the Court except for objections based on a defect, if any, in the manner in which these documents have been provided to me.

I understand, that if I (or the entity on whose behalf I am acting) do not appear and respond to the motion to intervene, by July 11, 1995, and if the Court enters further orders with respect to answers or other responses to the proposed complaint-in-intervention or responses to the Motion for Preliminary Injunction, that I (or the entity on whose behalf I am acting)

C-125-C **NOTICE OF MOTION TO INTERVENE, PROPOSED COMPLAINT-IN-INTERVENTION AND MOTION FOR PRELIMINARY INJUNCTION OF MINERAL COUNTY AND REQUEST FOR WAIVER OF PERSONAL SERVICE OF MOTIONS**

TO: Louis Polish : (As _____ of _____)

A motion to intervene, proposed complaint-in-intervention, and motion for preliminary injunction by Mineral County, Nevada, claiming a right to a minimum level of water for Walker Lake, which may affect the water rights in the Walker River which you (or the entity on whose behalf you are addressed) own, have been filed in the United States District Court for the District of Nevada, Reno, Nevada. Copies of these documents, along with an order of the Court, setting important deadlines with

respect to Mineral County's Motion to Intervene, are enclosed. This matter has been assigned Subfile No. C-125-C. This is not a formal summons from the Court, but rather a request by Counsel for Mineral County that you sign and return the enclosed waiver of service in order to save the cost of serving you with a notice in lieu of summons, plus an additional copy of the Motion to Intervene, the proposed complaint-in-intervention, and the motion for preliminary injunction. The cost of service will be avoided if we receive a signed copy of the waiver within 30 days after the date designated below as the date on which this notice and waiver are sent. We enclose a self-addressed, stamped envelope for your use. An extra copy of the waiver is also attached for your records.

If you comply with this request and return the signed waiver, it will be filed with the Court and no additional copies of the above-referenced documents will be served on you. The matter will then proceed as provided in paragraph 6 of the Order Requiring Service of and Establishing Briefing Schedule Regarding the Motion to Intervene of Mineral County, which order is included with this Notice.

If you do not return the signed waiver within the time indicated, we will take appropriate steps to effect formal service in a manner authorized by the Federal Rules of Civil Procedure and will then, to the extent authorized by those rules, ask the Court to require you (or the party on whose behalf you are addressed) to pay the full cost of such service. In that connection, please

read the statement concerning the duty of parties to waive service, which is attached hereto.

I affirm that this request is being sent to you on behalf of the proposed intervenor, Mineral County, Nevada, on this 10th day of April, 1995.

DUTY TO AVOID UNNECESSARY COSTS OF SERVICE OF SUMMONS AND OTHER DOCUMENTS

Rule 4 of the Federal Rules of Civil Procedure require certain parties to cooperate in saving unnecessary costs of service of the documents as referenced in the notice with which you have been provided. A party located in the United States who, after being notified of this matter and asked by the proposed intervenor, Mineral County, Nevada, to waive service of the documents, and fails to do so, will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the motion to intervene, proposed complaint-in-intervention, or motion for preliminary injunction are unfounded, or that the matter has been brought in an improper place or in a court that lacks jurisdiction over the subject matter thereof or over your person or property. A party who waives service of the documents retains all defenses and objections (except any relating to the service of these documents), and may later object to the jurisdiction of the Court or the place where the matter has been brought.

A party who waives service must respond to the documents to the extent required by paragraph 6 of the Order Requiring Service of and Establishing Briefing Schedule Regarding the Motion to Intervene of Mineral County.

TO: Zeh, Spoo & Hearne, attorneys for proposed Plaintiff/Intervenor, Mineral County, Nevada

I acknowledge receipt of your request that I waive personal service of the documents involving the motion to intervene of Mineral County, Nevada, in the action of United States of America, Plaintiff v.
