The Court hears the arguments of counsel. IT IS ORDERED that the matter of the class certification not be taken under advisement. Case 3:73-cv-00127-MMD-GSD Document 163 Filed 09/10/2001 Page 3 of 3

Regarding the identification methods, the Court finds that the U.S. and the Tribe have to date, made a substantial effort in identifying parties. The Court finds that the efforts they have made are reasonable. This does not mean that further down the road there will not be other efforts that may need to be made or other avenues that may need to be explored.

10:55 a.m. Court adjourns.
