22 The Walker River Irrigation District (the "District") agrees that a status conference  
 23 should be held to consider and address the Joint Motion of the United States of America and  
 24 the Walker River Paiute Tribe for Approval of Service Documents and Leave to Commence  
 25 Service (Second Request). The District has some comments on the Service Package and agrees  
 26 to contact counsel for the United States and Tribe with any specific questions, objections or  
 27 suggestions no later than one week prior to any such status conference. The District believes  
 28

194

1 that a status conference is especially important to again review with the Court and the parties  
2 when and how the United States and Tribe may proceed with service.
