ORDER REGARDING
CHANGES IN OWNERSHIP
OF WATER RIGHTS

The following background information is provided to aid in understanding the reasons for and what is required by this Order:

1. The Court has ordered that certain persons and entities be included as parties to this action because they own water rights within one or more of the nine categories set forth in Paragraph 3 of the Court's *Case Management Order* (Apr. 18, 2000).

2. During the course of this action, it is possible that a party will sell or otherwise convey ownership of all or a portion of the water rights which that party owned when brought into this action by a Waiver of Service of Notice in Lieu of Summons or by service of a Notice in Lieu of Summons.

3. A change in ownership of a water right or a portion of a water right can occur in a number of ways and for a variety of reasons. Often a change in ownership of a water right occurs when ownership of some or all of the land on which the water is used changes. A change in ownership may involve a sale, a gift, a death or even a divorce. It may also involve estate or business planning decisions such as conveyance to an inter vivos trust or a limited liability company. Frequently changes in ownership are accomplished by a deed. However, in an estate or divorce proceeding they may be accomplished by an order of a court. These examples are not

4. It is important that the Court and the Plaintiffs be notified of changes in the ownership of water rights while this action is pending because among other things, a change in ownership may require that a new party be included in the action, or that a present party be dismissed or both.

Based upon the foregoing it is hereby ORDERED as follows:

1. If a party to this action sells or otherwise conveys ownership of all or a portion of any water right within any of the nine categories set forth in Paragraph 3 of the *Case Management Order* (Apr. 18, 2000)^{1/}, that party shall, within sixty days after any such change in
