On April, 15, 2014, the United States, by and through the United States Attorney for the District of Nevada, moved this Court to stay the May 31, 2014 deadline for the United States to respond to Motions to Dismiss filed and joined by various Defendants. ECF No. 1988 (“Motion”). On April 28, 2014, Mineral County filed its *Points and Authorities in Response to United States’ and Walker River Paiute Tribe’s Motions to stay Briefing Deadline and Request to Stay Briefing Deadline in Subproceeding C-125-C If Briefing Deadline Stayed* (ECF No. 1994) (“Mineral County Response”). The United States submits this reply to the Mineral County Response.

The United States joins Mineral County's request to stay the motion to dismiss response deadline in subproceeding C-125-C. The Court has denied the request for counsel delegated to represent the United States to appear in this subproceeding. The Court's action also prevents the appearance of the same delegated counsel in any other aspect or subproceeding of this case. Until the Court rules on the United States' Motion for Expedited Reconsideration, delegated counsel are unable to appear in any aspect of this case - whether proceeding C-125, subproceeding C-125-B, or subproceeding C-125C.

Accordingly, the United States joins in Mineral County's request that the May 31, 2014 deadline for responses in subproceeding C-125-C be stayed pending action by the Court on the United States' Motion for Expedited Reconsideration.

Dated: May 5, 2014

Respectfully submitted,

DANIEL G. BOGDEN  
United States Attorney, District of Nevada
