filed on November 17, 1994. The California Water Board is not named as a respondent in the Proposed Petition to Intervene.

On the issue of which persons should be given notice of and an opportunity to respond to the Motion to Intervene of Mineral County of Nevada, the California Water Board has been given notice of the County's Motion and would like an opportunity to respond to the Motion to protect its interests in the resclution of the matters raised by the petitions and crossclaims against the California Water Board which comprise subfile no. 125-A, that is the Petition of the Walker River Irrigation District, the Petition of the State of Nevada, the Cross-claim of the Tribe and the Cross-claim of the United States.

As to whether other persons should be given notice of the Motion and an opportunity to respond, the California Water Board takes no position at this time.
