**FIRST AMENDED COUNTERCLAIM OF THE
WALKER RIVER PAIUTE TRIBE**

In its order of October 30, 1992, (document #15) the Court found that the counterclaim filed by the Walker River Paiute Tribe ("Tribe") (document #1) on March 18, 1992, against the Walker River Irrigation District ("WRID") should have been filed as a cross-claim since the Tribe and the WRID were co-plaintiffs with regard to their assertions against the California State Water Resources Control Board. However, the Court also determined that the designation given by the Tribe would remain. In light of the Court's order, the Tribe files this first amended counterclaim as follows:

INTRODUCTION

1. This first amended counterclaim is for the recognition of a right to store water in Weber Reservoir for use on the lands of the Walker River Indian Reservation ("Reservation"), including the lands restored to the Reservation in 1936. Such rights are in addition to the rights to use water from the Walker River awarded to the United States for the benefit of the Tribe in United States v. Walker River Irrigation Dist., In Equity No. C-125 (D. Nev. 1936), as amended by, Stipulation and Agreement for Entry of Amended Final Decree Pursuant to Writ of Mandate of the Circuit Court of Appeals - Ninth Circuit - and also Amended Decree entered herein on April 15, 1936 to Clarify Certain Provisions Thereof, approved by, Order for Entry of Amended Final Decree to Conform to Writ of Mandate, etc., United States v. Walker River Irrigation Dist., In Equity No. C-125 (D. Nev. 1940) ("Final Decree").

2. This first amended counterclaim is also for recognition of a right reserved under federal law to use surface water from the Walker River on the lands restored to the

1 Reservation in 1936. Such rights are in addition to the rights to use water from the Walker
2 River awarded to the United States for the benefit of the Tribe in the Final Decree.

3
4 3. This first amended counterclaim is also for recognition of a right reserved under
5 federal law to use groundwater underlying and adjacent to the lands of the Reservation,
6 including groundwater underlying and adjacent to the lands restored to the Reservation in
7 1936, on the lands of the Reservation, including the lands restored to the Reservation in 1936.
8 Such rights are in addition to the rights to use water from the Walker River awarded to the
9 United States for the benefit of the Tribe in the Final Decree.

10
11 **JURISDICTION**

12
13 4. Jurisdiction over this first amended counterclaim is pursuant to: a) the
14 continuing jurisdiction of the Court over the waters of Walker River and its tributaries in
15 California and Nevada, Final Decree ¶ XIV; b) 28 U.S.C. § 1331, in that this counterclaim
16 arises under the Constitution, laws or treaties of the United States; c) 28 U.S.C. § 1362, in
17 that this counterclaim is brought by the Tribe and arises under the Constitution, laws or
18 treaties of the United States; d) 28 U.S.C. § 1367 which vests the Court with supplemental
19 jurisdiction; and e) 28 U.S.C. § 1651 which authorizes the Court to issue all writs necessary
20 or appropriate in aid of its jurisdiction.
21

22
23 **PARTIES**

24 5. The Tribe is a federally-recognized Indian Tribe organized under the Indian
25 Reorganization Act, 25 U.S.C. §§ 461, 462, 463, 464, 465, 466-470, 471, 472, 473, 474,
26 475, 476-478, 479. The Reservation was established in 1859 with a land base of
27 approximately 320,000 acres. Certain lands which were originally a part of the Reservation
28

1 were restored to the Reservation on September 25, 1936, pursuant to the Act of June 22, 1936,
2 49 Stat. 1806-07.

3
4 6. Counterdefendants are the WRID, the State of Nevada, and all claimants to the
5 waters of the Walker River and its tributaries, including groundwater.

6
7 **GENERAL ALLEGATIONS**

8 7. The Tribe currently is entitled to use 26.25 cubic feet per second from the
9 Walker River and its tributaries, with a priority date of November 29, 1859, to irrigate 2,100
10 acres of land on the Reservation as it existed before September 25, 1936. Final Decree ¶ 1.

11 8. Subsequent to April 14, 1936, numerous persons and other entities, including
12 the United States, have appropriated additional waters from the Walker River Basin and its
13 tributaries. In many instances, such claims to the use of water have not been subject to any
14 adjudicative process.

15
16 9. Weber Reservoir is a federally-constructed reservoir located on the Reservation
17 with a storage capacity of approximately 13,000 acre feet. Portions of the reservoir were
18 completed in 1935, and floodgates were added in 1937. The Tribe is entitled to store water
19 from the Walker River in Weber Reservoir for all purposes recognized under federal law
20 including but not limited to irrigation, stock watering, fish and wildlife, and domestic uses.

21
22 10. By the use of Weber Reservoir to store water, the Tribe can irrigate more than
23 the 2,100 acres which it is entitled to irrigate under the terms of the Final Decree.

24 11. The Tribe's priority date for storage in Weber Reservoir is April 15, 1936. The
25 Tribe claims 13,000 acre feet plus evaporation and seepage.

26
27 12. The Act of June 22, 1936, 49 Stat. 1806-07, authorized the Secretary of the
28 Interior to set aside certain lands as an addition to the Reservation for the benefit of the Tribe.

1 In accordance with that legislation, by Order dated September 25, 1936, the Secretary restored
2 to the Reservation approximately 167,460 acres.

3
4 13. The Tribe is entitled to use water from the Walker River on the lands restored
5 to the Reservation in 1936 for all purposes recognized under federal law including but not
6 limited to irrigation, stock watering, fish and wildlife, recreation and domestic uses.

7
8 14. The instant suit, commenced by the United States in 1924, was brought to quiet
9 title and only concerned the water rights for use on the Reservation as the boundaries existed at
10 the time the suit was commenced. The suit did not adjudicate the groundwater rights of any of
11 the parties in the litigation.

12
13 15. The Tribe is entitled to use groundwater underlying and adjacent to the lands
14 within the Reservation, including groundwater underlying and adjacent to the lands restored to
15 the Reservation in 1936, for all purposes recognized under federal law including but not
16 limited to irrigation, stock watering, fish and wildlife, recreation and domestic uses.

17
18 16. Paragraph XIV of the Final Decree provides that this Court retains jurisdiction
19 for modification of this decree.

23 18. The Tribe is entitled to store water from the Walker River in Weber Reservoir
24 for all purposes recognized under federal law. The Tribe's right to store water in Weber
25 Reservoir has a priority date of April 15, 1936.
