IN EQUITY NO. C-125-ECR
Subproceeding: C-125-B

SECOND REPORT OF THE UNITED
STATES OF AMERICA CONCERNING
STATUS OF SERVICE ON CERTAIN
PERSONS AND ENTITIES

The United States of America ("United States"), on behalf of itself and the Walker River Paiute Tribe ("Tribe"), submits the following information related to its service efforts on persons and entities subject to service under the *Case Management Order* (Apr. 18, 2000) ("CMO"). As set forth in this pleading, the United States asks the Court to approve certain service efforts, to amend, correct and make additions to the caption, and, in some instances, to take no action at this point as service efforts are continuing. This is the second such filing that the United States has made in this action. The United States and the Tribe have suggested that the Court address this filing at its December 1, 2004, Status Conference. *The United States of America's and Walker River Paiute Tribe's List of Proposed Agenda Items for December 1, 2004, Status Conference*, C-125-B (Nov. 17, 2004).

As with the initial *Report of the United States of America Concerning Status of Service on Certain Persons and Entities*, C-125-B (May 27, 2004) ("First Service Report"), this pleading includes a set of exhibits. We have served the exhibits to this second filing in the same manner in which we handled the first filing. Individuals and entities addressed in this filing have received copies of only those exhibits that concern their service issues, and we will provide any of them with copies of any additional exhibits that they wish to obtain. In addition, we have provided materials to the mediating parties in a similar fashion, except that we have again provided a copy of all exhibits to counsel for the Walker River Irrigation District, and will provide the mediating parties with copies of any exhibits they request.

We are also submitting a separate filing of the original Waivers of Service, Notices of Appearance, Disclaimers, and Notices of Change of Ownership of Water Right.

We have organized this pleading numerically. Because there is a relatively small number of Exhibits, they are simply lettered, beginning with "A". For each Defendant addressed, we have attempted to identify all service categories relevant to that Defendant, but we are not representing these identifications as necessarily complete or asserting that any Defendant subject to service under CMO categories not specifically identified would need to be served a second time. We also note that there are instances discussed herein where persons or entities served in this phase have turned out not to be subject to service under CMO Paragraphs d., g., or i., but are subject to service under other CMO service categories.

We have not yet provided the Court with a proposed amended Caption, but are prepared to do so when the Court wishes us to do so. We are also providing a copy of this pleading and the certificate of service to the Court and the Clerk's Office on a computer disk in Word Perfect

format and would be pleased to provide this information in any other format to assist the Court and Clerk's Office.

In an effort to assist with the development of the Certificate of Service for this case, we have included addresses for counsel in this pleading, and if there is no counsel, addresses for service upon the individual or entity served. To the extent that the person or entity is not identified clearly in the address indicated for service, we have included that information in brackets. We recognize that if the Court dismisses certain individuals and entities from the case, as we have requested, the Certificate of Service attached to this document will change as well.

I. Update on CMO Service Categories d., g., and i.: The following information provides an update on the service effort on a portion of the persons and entities to be served under CMO service categories 3.d., g., and i.

6. Richard E. and Ronee Bybee Trust: In our first Report to the Court, we noted that we were investigating whether or not the water rights at issue had been transferred to individual ownership. Our investigation confirms that the Trust, as opposed to the individuals, should be served, but that the correct name of the trust is "The 2000 Richard E. & Ronee L. Bybee Revocable Living Trust Agreement." Service by mail was made on August 7, 2003, July 29, 2004, and October 29, 2004. We request the Court to amend the caption to reflect the revised trust name and to take no further action at this time.
7. Ellen Butterly: Service by mail occurred on two occasions, most recently on October 29, 2004. We seek no action by the Court at this time.

 - b. Status of service: In our first report to the Court (Masonic Lodge entry), we reported that Marion O. Rodger, Trustee, Hope Lodge #22, F & A.M, had returned a signed Waiver of Service form. We also noted that continued investigation caused us to think that this groundwater well may have been used as a monitoring well and that it may now be plugged and abandoned.

On October 25, 2004, we spoke with Mr. Rodgers, who indicated that he agrees with our assessment of the status of this well and consents to dismissing the Hope Lodge from this action.

We seek no action by the Court at this time.

36. Candace Stoughton: Robert G. We intend to serve them by mail later in connection with service efforts focused on paragraph 3.c of the CMO. We seek no action by the Court at this time.
37. Daniel F. Sullivan:
- a. Basis for inclusion: CMO Paragraph 3.d.

- b. Status of service: We reported in our first report to the Court that Mr. Sullivan has not responded to our mailings. Since that time, we have received information that Mr. Sullivan has conveyed the water rights at issue to the Heidi D. Roach and Roy B. Roach, 2002 Trust. *See* Exhibit H. Mr. and Mrs. Roach were originally named in this action in their individual capacities, based on their ownership of other water rights. We also reported in our first report to the Court that the Roaches appear to have transferred these individually-owned water rights to the Roach 2002 Trust and purchased other water rights, and have water rights applications pending. Thus, the Roaches, as individuals, and as the Roach 2002 Trust, have been named in this action. The Roaches, as individuals, and the Roach 2002 Trust have not responded to efforts to serve them by mail.

TO: Susan L. Schneider, attorney for the United States of America

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

2. I have also received a copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA, the FIRST AMENDED COUNTERCLAIM OF WALKER RIVER PAIUTE TRIBE, the CASE MANAGEMENT ORDER (Apr. 18, 2000), two copies of a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE, a copy of the ORDER – DISCLAIMER OF INTEREST and related form, a copy of the ORDER REGARDING CHANGES IN OWNERSHIP OF WATER RIGHTS and related form, two copies of this instrument (WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS), and a means by which I can return the signed waiver to you without cost to me.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

4. I understand that if I waive service of a Notice in Lieu of Summons, I must mail a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE to Susan L. Schneider, attorney for the United States, and I may use the same envelope provided for return of the waiver of service.

5. I (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or to the jurisdiction or venue of the Court except for objections based on a defect in the Notice in Lieu of Summons or in the service of the Notice in Lieu of Summons.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

2. I have also received a copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA, the FIRST AMENDED COUNTERCLAIM OF WALKER RIVER PAIUTE TRIBE, the CASE MANAGEMENT ORDER (Apr. 18, 2000), two copies of a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE, a copy of the ORDER – DISCLAIMER OF INTEREST and related form, a copy of the ORDER REGARDING CHANGES IN OWNERSHIP OF WATER RIGHTS and related form, two copies of this instrument (WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS), and a means by which I can return the signed waiver to you without cost to me.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

4. I understand that if I waive service of a Notice in Lieu of Summons, I must mail a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE to Susan L. Schneider, attorney for the United States, and I may use the same envelope provided for return of the waiver of service.

5. I (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or to the jurisdiction or venue of the Court except for objections based on a defect in the Notice in Lieu of Summons or in the service of the Notice in Lieu of Summons.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.
