TO: Susan L. Schneider, attorney for the United States of America

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

2. I have also received a copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA, the FIRST AMENDED COUNTERCLAIM OF WALKER RIVER PAIUTE TRIBE, the CASE MANAGEMENT ORDER (Apr. 18, 2000), two copies of a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE, a copy of the ORDER – DISCLAIMER OF INTEREST and related form, a copy of the ORDER REGARDING CHANGES IN OWNERSHIP OF WATER RIGHTS and related form, two copies of this instrument (WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS), and a means by which I can return the signed waiver to you without cost to me.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

4. I understand that if I waive service of a Notice in Lieu of Summons, I must mail a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE to Susan L. Schneider, attorney for the United States, and I may use the same envelope provided for return of the waiver of service.

5. I (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or to the jurisdiction or venue of the Court except for objections based on a defect in the Notice in Lieu of Summons or in the service of the Notice in Lieu of Summons.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS

TO: Susan L. Schneider, attorney for the United States of America

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

2. I have also received a copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA, the FIRST AMENDED COUNTERCLAIM OF WALKER RIVER PAIUTE TRIBE, the CASE MANAGEMENT ORDER (Apr. 18, 2000), two copies of a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE, a copy of the ORDER – DISCLAIMER OF INTEREST and related form, a copy of the ORDER REGARDING CHANGES IN OWNERSHIP OF WATER RIGHTS and related form, two copies of this instrument (WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS), and a means by which I can return the signed waiver to you without cost to me.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

4. I understand that if I waive service of a Notice in Lieu of Summons, I must mail a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE to Susan L. Schneider, attorney for the United States, and I may use the same envelope provided for return of the waiver of service.

5. I (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or to the jurisdiction or venue of the Court except for objections based on a defect in the Notice in Lieu of Summons or in the service of the Notice in Lieu of Summons.

An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear cost of such service unless good cause be shown for its failure to sign and return the waiver.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court an
notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a copy of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by the Plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a copy of appearance and intent to participate.

An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by the court to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a copy of appearance and intent to participate.

**NOTICE OF LAWSUIT AND REQUEST FOR
WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS**

TO:

Shirley E Huuha
7 Rio Vista
Yerington, NV 89447

*Deceased
July 17/04*

You have been named as a Defendant in a civil action filed in the United States District Court in Reno, Nevada, entitled *United States v. Walker River Irrigation District* and assigned the court docket number In Equity C-125, Subfile C-125-B. You have been named as a Defendant because you are among a large number of persons and entities identified as having an ownership interest in certain water rights that the Court has directed to be included in this case.

You should note that on May 27, 2003, the Court stayed all proceedings in this matter, except for service-related matters, to allow the United States, the State of Nevada, the State of California, the Walker River Paiute Tribe, the Walker River Irrigation District, Mono County, California, Lyon County, Nevada, Mineral County, Nevada, and the Walker Lake Working Group ("Mediating Parties") to attempt to mediate a settlement. *Order Governing Mediation Process* (May 27, 2003). Although the Mediation Process is confidential, the Mediation Process Agreement signed by the Mediating Parties recognizes that all parties to this case, among others, will need to be informed at appropriate times about the Mediation Process.

Rule 4 of the Federal Rules of Civil Procedure provides that under certain circumstances you can avoid being assessed the cost of being personally served if you do not sign a waiver and accept service by mail. The materials that have been sent you in this package include a waiver form, instructions, and a self-addressed, stamped envelope for returning the waiver form. There are also other documents enclosed that address the sale or other conveyance of your water rights or if you believe that you should not be a party to this lawsuit. **Please read these materials carefully, as they are important to your legal rights.** Please note that some of these papers are single-sided and others are double-sided.

Enclosed are the following [8] documents:

1. **Notice of Lawsuit and Request for Waiver of Service of Notice in Lieu of Summons:** *That is the title of this document (see the title at the top of this page). Please begin your review with this 5-page document. (This document is double-sided, except page 1.)*
2. **Waiver of Service of Notice in Lieu of Summons:** *Two copies of this document are enclosed, one for your records and one that you may send in the enclosed envelope to SUSAN L. SCHNEIDER of the United States Department of Justice, if you choose to execute the document. (This document is single-sided.)*
3. **Notice of Appearance and Intent to Participate:** *(This document is single-sided.) If you choose to sign this document, you must file the original with the District Court and you*

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by the plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS

2. I have also received a copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA, the FIRST AMENDED COUNTERCLAIM OF WALKER RIVER PAIUTE TRIBE, the CASE MANAGEMENT ORDER (Apr. 18, 2000), two copies of a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE, a copy of the ORDER – DISCLAIMER OF INTEREST and related form, a copy of the ORDER REGARDING CHANGES IN OWNERSHIP OF WATER RIGHTS and related form, two copies of this instrument (WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS), and a means by which I can return the signed waiver to you without cost to me.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

2. I have also received a copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA, the FIRST AMENDED COUNTERCLAIM OF WALKER RIVER PAIUTE TRIBE, the CASE MANAGEMENT ORDER (Apr. 18, 2000), two copies of a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE, a copy of the ORDER – DISCLAIMER OF INTEREST and related form, a copy of the ORDER REGARDING CHANGES IN OWNERSHIP OF WATER RIGHTS and related form, two copies of this instrument (WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS), and a means by which I can return the signed waiver to you without cost to me.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

4. I understand that if I waive service of a Notice in Lieu of Summons, I must mail a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE to Susan L. Schneider, attorney for the United States, and I may use the same envelope provided for return of the waiver of service.

5. I (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or to the jurisdiction or venue of the Court except for objections based on a defect in the Notice in Lieu of Summons or in the service of the Notice in Lieu of Summons.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of a Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.
