I. Round-Table Discussion Regarding Proposed Superseding E-Service Order

The court and counsel confer regarding the Proposed Superseding Order Regarding Service and Filing in Subproceeding C-125-B On and By Unrepresented Parties (Doc. # 1214-1, Case No. 3:73-cv-125-RCJ-WGC and Doc. #1957-1, Case No. 3:73-cv-127-RCJ-WGC; "Proposed Superseding E-Service Order").

At the outset of discussing the Proposed Superseding E-Order the court and counsel agree and embrace the concept that the superseding order is to refer to all three categories of parties. Therefore, any future draft and final superseding order should be comprehensive in that it pertains to how service will be completed as to "represented" parties, "unrepresented" parties and "non-appearing" parties.

After further review and suggestions offered by the court and counsel regarding the current Proposed Superseding E-order, the court directs the United States of America ("United States") to make the appropriate revisions as discussed today and thereafter circulate the draft to counsel for their comments. The court requests to receive a courtesy copy of the revised superseding order as well via email.
