MINUTE ORDER IN CHAMBERS

The Court has under submission a motion (#794) to clarify Judge Reed's case management order (#108), dated April 18, 2000. The final reply (#836) in support of the motion was filed on February 21, 2006.

The Court is in the process of considering the motion and has not yet decided whether a hearing would be useful in deciding it. As soon as the Court can complete its review of the motion, it will either set a hearing on the motion, if such would be useful in deciding it, or the Court may enter a written order ruling on the motion without a hearing.
