) In Equity No. C-125-ECR
) Subfile No. C-125-C

) **WALKER RIVER IRRIGATION**
) **DISTRICT'S REQUEST FOR STATUS**
) **CONFERENCE**

1 The Walker River Irrigation District (the "District") respectfully requests that the Court
 2 schedule a status conference in this matter at its earliest convenience. The District's reasons for
 3 requesting a status conference with the Court are set forth below.

4 **I. THE COURT SHOULD PROMPTLY ADDRESS MINERAL COUNTY'S**
 5 **RECENT EFFORTS TO SERVE ITS INTERVENTION DOCUMENTS ON**
 6 **CERTAIN PARTIES NOT LISTED IN THE CAPTION**

7 On or about April 30, 2001, Mineral County filed its *Amended Motion To Add and*
 8 *Dismiss Certain Parties* (the "Amended Motion"). Docket No. 377. On or about May 29,
 9 2001, Mineral County served its *Supplemental Attachments to Amended Motion to Add and*
 10 *Dismiss Certain Parties* (the "Supplemental Attachments"). Docket No. 379. The District filed
 11 its response to the Amended Motion on August 17, 2001. Mineral County's reply in support of
 12 the Amended Motion is currently due to be served on September 7, 2001. The Court has not
 13 yet scheduled a hearing date with respect to the Amended Motion.

14 The Court has entered no decision with respect to the relief requested by Mineral
 15 County in the Amended Motion. Nevertheless, it appears that Mineral County has recently
 16 attempted or is currently attempting to serve its intervention documents on parties that the
 17 County seeks to substitute into this action pursuant to the Amended Motion. For example, the
 18 Amended Motion seeks to substitute Jan B. Eveatt, Ila Mae Funkhauser, Keith Savage, Virginia
 19 Savage, Dan C. Morose and Tara L. Morose. *See* Amended Motion at 9 - 12, 16. There has
 20 been no decision by the Court to substitute these parties into the action and, as a result, no
 21 amendment to the Caption to reflect their substitution. Nevertheless, the service documents
 22 attached to the Supplemental Attachments indicate that Mineral County has recently served or
 23 attempted to serve its intervention documents on these parties. *See* Exhibit A attached hereto.¹

24 The District believes that Mineral County should not serve its intervention documents
 25 on a particular party until the Court enters an order substituting that party into the case and the
 26 Caption is amended and thereby updated to accurately reflect the substitution and any related

27
 28 ¹ The District has attached relevant excerpts from the Supplemental Attachments to this
 Request as Exhibit A for the convenience of the Court.

dismissal. The Court should schedule a status conference as soon as possible to address Mineral County's recent service of its intervention documents on parties not listed in the Caption.

II. THE COURT SHOULD PROMPTLY ADDRESS ISSUES RELATED TO MINERAL COUNTY'S POTENTIAL FAILURE TO INCLUDE A NOTICE OF APPEARANCE FORM IN DOCUMENTS IT HAS RECENTLY SERVED ON PARTIES

On April 3, 2000, the Court filed an Order Concerning Status of Service on Defendants (the "Status of Service Order"). Docket No. 227. Among other things, the Status of Service Order required Mineral County, in its future service efforts, to serve a modified Notice in Lieu of Summons in the format attached to the Status of Service Order as Exhibit 2. The modified Notice in Lieu of Summons attached to the Status of Service Order included the following provision:

You are required, within twenty (20) days after service of this Notice in Lieu of Summons upon you, to file with the Court and serve by mail on counsel for Mineral County, the Walker River Irrigation District, United States, Walker River Paiute Tribe, Nevada, California and the United States Board of Water Commissioners the attached Notice of Appearance. If you fail to do so, you shall nevertheless be deemed to have notice of subsequent orders of the Court and subsequent pleadings filed and served in this matter. (emphasis in original).

See Exhibit B attached hereto (Notice In Lieu Of Summons). Exhibit 3 to the Status of Service Order contains the Notice of Appearance to be served by Mineral County as an attachment to the modified Notice in Lieu of Summons. See Exhibit B attached hereto (Notice of Appearance).

Based on information recently received by the District, however, the District believes that Mineral County may not be serving the Notice of Appearance form as required by the Status of Service Order. In fact, a review of the docket sheets in this matter reveals that, even though Mineral County has attempted service upon numerous parties since the entry of the Status of Service Order, only six Notices of Appearance have been filed since that time. See Docket Nos. 338, 348, 359, 365, 371 and 376, attached hereto as Exhibit C. None of these six

1 Notices of Appearance, however, appear to be the form document attached to the Status of
2 Service Order as Exhibit 3. *Compare* Exhibit B (Notice of Appearance) with documents
3 contained in Exhibit C. Instead, the six Notices of Appearance filed with the Court appear to
4 have been prepared by attorneys for the party served or by the party itself. Finally, other than
5 these six Notices of Appearance, the District's counsel has not been served with any other
6 Notices of Appearance from parties allegedly served by Mineral County since the Court's entry
7 of the Status of Service Order. Because of these facts, the District believes that Mineral County
8 may have omitted the Notice of Appearance form from the documents it has served on various
9 parties since the entry of the Status of Service Order.

10 **III. THE COURT SHOULD ADDRESS ISSUES RELATED TO PARTIES WHO**
11 **HAVE BEEN SERVED WITH OUTDATED INFORMATION CONCERNING**
12 **WHEN THEY ARE REQUIRED TO RESPOND TO THE MOTION TO**
13 **INTERVENE**

14 Mineral County began its service efforts in this matter in early 1995. Parties served
15 during early 1995 were instructed that responses to Mineral County's Motion to Intervene
16 were to be served no later than July 11, 1995. During 1995 and on several occasions thereafter,
17 however, the Court postponed the briefing schedule on the Motion to Intervene and imposed
18 new briefing schedules. *See* Docket Nos. 33, 44, 71, 162, 216, 221 and 240. When the Court
19 postponed the various briefing schedules, Mineral County should have incorporated the new
20 deadlines for responding to the Motion to Intervene into the Notices in Lieu of Summons being
21 served at that particular point in time. Currently there is no briefing schedule in place. *See*
22 Docket No. 247.

23 Under these circumstances, when the Court does impose a new briefing schedule in this
24 matter, some method should be devised to inform parties who were previously provided
25 outdated information concerning when they were required to respond to the Motion to
26 Intervene with updated information concerning the new briefing schedule. In addition, these
27 parties should be provided with any additional information that they may need to actively
28 participate in this matter.

1 **IV. THE COURT SHOULD ADDRESS ISSUES RELATED TO THE SUCCESSORS-**
2 **IN-INTEREST TO PARTIES THAT HAVE ALREADY BEEN PROPERLY**
3 **SERVED BY MINERAL COUNTY**

4 Mineral County began its service efforts in this matter in early 1995. Since that time,
5 Mineral County has served its intervention documents on numerous parties that held title to
6 Walker River Decree water rights when they were served by the County. Many of these
7 parties, however, may have conveyed their interest in Walker River Decree water rights
8 subsequent to Mineral County having effected service upon them. In those instances, the
9 successors-in-interest to the parties served by Mineral County currently hold title to the real
10 property rights at issue in this litigation.

11 As soon as possible, the Court should address the issue of whether these successors-in-
12 interest have or have not been appropriately served for purposes of joining them in this action.
13 The issues in this regard may be similar to those recently addressed by the parties in the C-125-
14 B sub-proceeding with respect to providing notice to successors-in-interest. Some of the
15 procedures adopted in the C-125-B sub-proceeding may be appropriate for incorporation into
16 this sub-proceeding.

17 **V. OTHER MATTERS**

18 The issues raised above may not comprise a complete list of all outstanding issues ripe
19 for the Court's consideration at this time. Therefore, the District respectfully requests that the
