v.

WALKER RIVER IRRIGATION DISTRICT,
et al.,

Proposed Defendants.

401

I. INTRODUCTION

On April 3, 2000, this Court entered an *Order Concerning Status of Service on Defendants* (the "Status of Service Order") (Docket # 327). In that order, the Court identified one hundred seventy (170) proposed defendants that Mineral County had either failed to serve its Intervention Documents upon or the information contained in the record was insufficient to establish proper service.

On December 18, 2001, the Court held a hearing on *Mineral County's Amended Motion to Add and Dismiss Certain Parties* (Docket # 377). As a result, the Court entered an Order on December 19, 2001, (Docket # 397) that dismissed as well as substituted several defendants with respect to Mineral County's proposed intervention. In addition, the Court entered an Order on December 18, 2001, (Docket # 396) that requires the District to identify the proposed defendants, from the one hundred seventy (170) proposed defendants listed in the Status of Service Order, that the District alleges still have not properly been served by Mineral County.

II. LIST OF PROPOSED DEFENDANTS FROM THE STATUS OF SERVICE ORDER THAT HAVE NOT BEEN PROPERLY SERVED BY MINERAL COUNTY

The following list contains the names of proposed defendants, from the one hundred seventy (170) parties listed in the Status of Service Order, for which the District believes Mineral County has either failed to effect service of its Intervention Documents upon or, alternatively, the information contained in the record does not establish proper service by Mineral County.
