MINUTE ORDER IN CHAMBERS:

On April 25, 1997, Intervenor Mineral County filed a Request for Order Approving Documents for Publication of Service (Doc. #100A). On July 22, 1997, the parties filed a Stipulation for Scheduling Conference (Doc. #120) requesting a scheduling conference so the parties could reconsider the issue of service and publication. Since that time, various hearings have been held and the issues of service have been discussed and narrowed.

In view of these proceedings, Intervenor Mineral County's Request for Order Approving Documents for Publication of Service (Doc. #100A) is **DENIED** as moot.

IT IS SO ORDERED.
