1. On October 19, 2010, the Court held a status conference in Subproceeding C-125-B and Subproceeding C-125-C.

1 2. At the status conference, the Court established two dates by which proposed
2 orders were to be lodged. The first order is to be lodged by the United States in Subproceeding
3 C-125-B, and relates to a cut-off date for service. It was to be lodged on November 9, 2010,
4 along with a status memorandum if there were any objections to it. *See*, Doc. 1608, Agenda,
5 Item B.2.b. It was not entirely clear from the status conference as to how objections, if any, to
6 the Service Cut-Off Order were to be managed, and on what schedule.

8 3. The second order is to be lodged by the United States and Mineral County in
9 both Subproceedings and relates to the status and obligations of existing defendants that
10 transfer water rights subsequent to appearing or being deemed served, and procedures to
11 address issues related to their successors and their substitution and/or joinder (the “Successor-
12 in-Interest Order”). *See*, Doc. 1608, Agenda, Item B.2.g. The Successor-in-Interest Order is to
13 be lodged in both Subproceedings on November 30, 2010. Memoranda related to any
14 objections to that order are to be submitted in both Subproceedings on or before December 17,
15 2010.

17 4. The United States, Mineral County and the Walker River Irrigation District,
18 acting through their respective counsel of record, desire to place both orders on the same
19 schedule for lodging with the Court, and for filing memoranda related to any objections thereto.

21 5. By placing the Service Cut-Off Order on the same schedule as the Successor-in-
22 Interest Order, the parties will have additional time to consult with represented parties with
23 whom they are aligned, and to attempt to resolve any objections to the proposed orders before
24 they are lodged with the Court and without the need to file memoranda of objections. In
25 addition, the schedule with respect to the Service Cut-Off Order will be clarified.

26 NOW, THEREFORE, based upon the foregoing, and subject to the approval of the
27 Court, the United States, Mineral County and the Walker River Irrigation District hereby agree
28 and stipulate that:
