IN EQUITY NO. C-125-ECR
Subproceedings: C-125-B and C-125-C
COUNTY OF MONO'S MOTION
FOR RELIEF FROM LOCAL
RESIDENT COUNSEL
REQUIREMENT OF LOCAL RULE
1A 10-2(c)

19 For the reasons given below, the County of Mono, by and through their
20 undersigned counsel, hereby respectfully requests that the Court waive the local
21 counsel requirement of Local Rule 1A 10-2(c) for the purposes of this case only. Local
22 Rule 1A 10-2(c) of this Court requires association of a resident member of the Nevada
23 Bar as co-counsel, unless the Court decides otherwise.

24 At this time, the County hereby requests that the Court relieve it from the
25 requirement of Local Rule 1A 10-2(c) and allow it to solely represent itself (through its
26 own County Counsel's Office) in this litigation. The reasons for this motion are as
27 follows:

28 (1) The County of Mono is a political subdivision of the State of California. It is

Handwritten initials/signature

1 presently represented in this matter by its own Office of the County Counsel, which has
2 offices both in Bridgeport and in Mammoth Lakes, California, which are located two
3 and one half and three hours drive from this Court, respectively. The two attorneys
4 assigned to this case, County Counsel Marshall S. Rudolph and Deputy County Counsel
5 Stacey Simon, are available for all necessary hearings or appearances before this court
6 and can be available on short notice.

7 (2) Marshall S. Rudolph is a graduate of Stanford University and of the
8 University of California, Hastings College of Law. He has been a practicing attorney for
9 twelve years and has been County Counsel of Mono County since 1996. Stacey Simon is
10 a graduate of Occidental College and the University of California at Berkeley (Boalt
11 Hall) School of Law and has been a Deputy County Counsel for Mono County since
12 1999. The County has additionally retained (non-resident) outside counsel in this
13 matter with experience litigating both state and federal water law cases. Finally, the
14 County has access to and consults when necessary with Nevada attorneys about this
15 case.

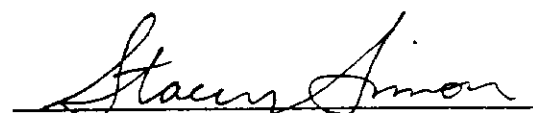

16 (3) By granting this motion, the Court will assist Mono County in stretching
17 limited taxpayer dollars to provide the best representation possible of its own interests
18 and the interests of its constituents. The County is committed to devoting substantial
19 staff attorney time to this case, has involved a water law practitioner to aid it in dealing
20 with issues particular to California water law, and is contributing to the payment of the
21 mediator retained to manage the settlement negotiations. Meeting the local counsel
22 requirement of Rule 1A 10-2(c) would put an additional financial burden on the
23 County's already limited resources.

24 (4) If this waiver is granted, the County, through its County Counsel's office, will
25 comply with the spirit and the intent of Local Rule 1A 10-2(c). Mono County's
26 attorneys are able to attend all necessary hearings, have the ability to sign binding
27 stipulations, and will perform any other acts necessary to the proper representation of
28 Mono County.
