1 Commissioners) by and through its attorneys, Vargas & Bartlett,  
2 presents this report pursuant to the Stipulation and Order dated  
3 December 9, 1994.

4 The Water Commissioners believe that all water right  
5 holders on the Walker River should receive notice of the filing of  
6 the Petition for Leave to Intervene filed by Mineral County. The  
7 Water Commissioners believe that Mineral County should be required  
8 to complete service upon all water rights holders prior to the  
9 matter being set for a scheduling conference to schedule further  
10 proceedings on the matter of the motion for leave to intervene.  
11 FRCP 5.

12 The Water Commissioners would also suggest that the Court  
13 create another subfile, perhaps C-125-C, to facilitate the ease of  
14 filing and retrieving documents in this old and voluminous court  
15 docket.
