U.S. DISTRICT COURT

Pursuant to LR 7-4 of the Local Rules of Practice of the United States District Court for the District of Nevada, Walker River Irrigation District (the "District") moves the Court for leave to file a consolidated oversized brief in reply to Walker River Paiute Tribe's Response and Mineral County's Opposition to Motion to Vacate Schedule and in Opposition to Mineral County's Countermotion for Sanctions (the "Opposition and Countermotion").

In support of this motion, the District represents the following to the Court:

1. The District's oversized brief is a single response to the Opposition and Countermotion directed to the District's Motion to Vacate Schedule in this matter and in response to Mineral County's Countermotion for Sanctions.

2. The District might have filed two separate briefs to the Opposition and Countermotion which pursuant to LR 7-4 could have included a combined total of 50 pages. By consolidating its reply to the Opposition and response to the Countermotion in a single brief, the District has reduced the total number of pages which might have been required for two separate briefs.

3. The issues raised by the Opposition and Countermotion are numerous and require a complete response.

4. For all of the above reasons it is necessary to exceed the page limitations of LR 7-4 of this Court in order to fully and completely present the Court with the information it needs to decide the Motion to Vacate Schedule and Countermotion for Sanctions.

5. The brief which the District seeks to file is thirty-two (32) pages in length.

WHEREFORE, the District respectfully requests that the Court grant leave to file the oversized brief described herein.
