1 On August 27, 1999, the Honorable Edward C. Reed, Jr. referred this matter to the
2 undersigned to, among other things, determine:

3 which defendants have been properly served, which defendants Mineral County
4 has shown should be served by publication, and which defendants have not yet
5 been correctly served but as to whom Mineral County has not yet demonstrated
6 that service by publication is warranted.

6 Docket # 298 at 2.

7 Pursuant to that reference a conference was held on January 6, 2000. At that conference, the
8 parties were directed to prepare:

9 2) A list of those people as to whom Walker River Irrigation District
10 ("WRID") questions whether service is proper or has been made. WRID's
11 objections or position with respect to why service is improper or has not been
12 made shall be included.

12 Docket # 316 at 2. The *Walker River Irrigation District's Submission Concerning Status of*
13 *Service on Identified and Named Defendants Pursuant to Order Dated January 6, 2000*
14 ("WRID's Submission") was filed on February 7, 2000. Exhibit B to WRID's Submission listed
15 the names of numerous proposed defendants identified in the caption of the *Notice in Lieu of*
16 *Summons* issued by the Court on January 12, 1998 and for which WRID questioned whether
17 service was proper or had been made. At a February 8, 2000 status conference a hearing was
18 scheduled for March 14, 2000 with respect to the matters assigned by Judge Reed.

19 Present in person on March 14, 2000, were Gordon DePaoli and Dale Ferguson on
20 behalf of WRID, Linda Bowman on behalf of the United States Board of Water
21 Commissioners, Marta Adams on behalf of the State of Nevada, Treva Hearne on behalf of
22 Mineral County, Alice Walker on behalf of the Walker River Paiute Tribe and Susan Schneider
23 on behalf of the United States of America. Based upon the written submissions and oral
24 arguments of counsel, the court finds and orders as follows:

25 1. WRID's Submission did not dispute proper service of the Intervention
26 Documents on the proposed defendants listed in Exhibit "1" attached hereto.

1 2. With respect to the proposed defendants listed in Exhibit B to WRID's
2 Submission, Mineral County has properly served its Intervention Documents on the following
3 proposed defendants:
