

1 Mineral County opposes the Walker River Irrigation District's Motion for Extension of
2 Time, asserting there is no justification for it. Dkt. 765 at 2. The justification for the District's
3 request for an extension of time is the same as the justification used by Mineral County when it
4 sought an order staying the May 30, 2014 deadline for responses to the Motions to Dismiss.

5 There, Mineral County said:

6
7 A stay in both subproceedings [B and C] would allow the briefing and decision
8 on the Motions to Dismiss filed in both subproceedings to proceed
9 simultaneously, which would be consistent with the preference previously
10 expressed by the Court for briefing of the pending Motions to Dismiss in both
11 subproceedings to proceed simultaneously. In addition, keeping the briefing
12 schedule for the Motions to Dismiss in both subproceedings on the same
13 schedule would be in the interest of judicial economy and efficiency.

14 Mineral County's Motion to Stay, Dkt. 756 at 2, Ins. 15-21. The Court should grant the
15 District's Motion for Extension of Time.

16 Dated: June 11, 2014.
